

## Faculty Profile

1) **Name of Faculty Member:** Dr Sunanda Acharya

2) **Designation:** Associate Professor

3) **Educational Qualification:** M.Sc Ph.D

4) **Teaching Experience:** 29 years

5) **List of Publications:**

i) Purification and Characterization of an D- Galactosyl binding Lectin from Artocarpus lakoocha Seeds Carbohydrate Research,159(1987) 137-148

ii) Further Characterization of Artocarpus lakoocha Lectin(Artocarpin) purified using Rivanol  
Carbohydrate Research 180(1988) 97-110

iii) Single step Purification of Polysaccharides using Immobilized Jackfruit Lectin as Affinity Adsorbant Glycoconjugate J(1988)5:27-34

iv) Chemical Modification studies of Artocarpus Lakoocha Lectin Artocarpin Biochimie(1991)73,563-571

v) Purification of a Galactomannan from seeds of Poinciana pulcherrima Linn using Jackfruit Lectin Immobilized Affinity Adsorbent & it's Structural Characterization Indian Journal of Chemistry, Vol26B, July1987,pp.637-641
